**AJCC Summer Camp  
Mission Statement:**

At the AJCC Summer Camp we offer a safe, fun and nurturing environment that promotes positive values and experiences. Athletic, artistic and social activities create lasting memories and friendships, all within a beautiful natural setting. We are committed to providing an excellent, well-rounded summer where our campers gain knowledge, skills and confidence. AJCC camp is non-sectarian and warmly welcomes all.

**SPECIAL NEEDS  
CHILDREN:**

The AJCC actively seeks and supports the participation of children with special needs in our inclusive camp program. It is beneficial for all children to have the chance to socialize with each other as friends and campers. Subject to approval by camp director.
